

TRYOUT

QUESTIONS & ANSWERS

Q: What if I've never done cheerleading before?

A: No worries at all! Many beginners join cheerleading teams and find great success. We welcome newcomers and offer supportive training to help you learn the ropes and become a confident cheerleader.

Q: Are there specific skills I need to have to try out?

A: While having some experience in cheer or gymnastics can be helpful, it's not mandatory. What's more important is your enthusiasm, willingness to learn, and dedication. We believe in fostering talent and helping individuals grow their skills throughout the tryout process.

Q: I'm not the most flexible person. Will that be a problem?

A: Flexibility is something we can work on together! Our coaches will provide guidance and exercises to improve your flexibility over time. Don't let that hold you back from trying out – every journey starts somewhere, and we're here to support you every step of the way.

Q: How much time will practices take up?

A: Practice schedules vary, but we always strive to balance commitment with other aspects of your life, such as schoolwork and other extracurricular activities. Being a part of our cheer team is not only about dedication to practices but also about building friendships, teamwork, and personal growth.

Q: What if I'm nervous about performing in front of others?

A: It's completely natural to feel nervous, especially when trying something new. Our team environment is supportive and encouraging, and we'll work together to build your confidence. Remember, everyone starts somewhere, and every member of our team is cheering for your success!

Q: What makes your cheerleading team special?

A: Our team is more than just a group of individuals – we're a family. We support each other through thick and thin, celebrate successes together, and lift each other up during challenges. Joining our team means joining a community where you'll find lifelong friends and unforgettable experiences.

Q: Is cheerleading safe for my child?

A: Absolutely. Safety is our top priority. Our coaches are trained in proper techniques and spotting, and we strictly adhere to safety guidelines. We also provide appropriate equipment and supervise practices and performances closely to ensure the well-being of every participant.

Q: How much time will cheerleading take up?

A: We understand the importance of balancing academics, extracurriculars, and downtime. Our practice schedules are designed with this in mind, offering a reasonable time commitment that allows your child to excel both in cheerleading and other areas of their life.

Q: Will my child be able to keep up with their schoolwork?

A: Yes, we encourage academic success and provide a supportive environment for our team members to excel both in cheerleading and in their studies. Being part of our team teaches time management skills and discipline that can positively impact academic performance.

Q: What if my child doesn't have any prior experience in cheerleading?

A: That's perfectly fine! Many of our team members start with little to no experience and find great success with our supportive coaching staff. We welcome beginners and provide the guidance and training necessary for your child to learn and grow as a cheerleader.

Q: How will being part of the cheerleading team benefit my child?

A: Joining our team offers numerous benefits beyond athletic skill development. Your child will learn the value of teamwork, discipline, perseverance, and leadership. They'll also form lifelong friendships and create cherished memories while experiencing the thrill of performing and representing their school or community.

Q: What sets your cheerleading program apart from others?

A: Our program emphasizes not only athletic excellence but also character development. We foster a positive and inclusive environment where every member feels valued and supported. Your child will not only grow as a cheerleader but also as a confident and resilient individual.

***Tryouts are an opportunity for us to find the best fit for each athlete within our team, rather than a process to eliminate or exclude anyone. We believe in the potential of every participant and aim to create an inclusive environment where everyone has a chance to shine and contribute positively to our team.
